Sub: Immediate implementation of long-overdue CADRE RESRUCTURING from back date/due date i.e. retrospective effect right at DST-level itself - Urge for.

Ref: i) My letter No.J-MSA/Svy/31/2013-14 & No.J-MSA/Svy/32/2013-14, both dt. 11.07.2014 addressed to your kindself seeking immediate positive and active implementation of the much-discussed and long-pending C.R.

Sir,

Kindly refer to the detailed contents of the letters quoted under reference above(one addressed to you as the Appellate Authority over the CPIO, RTI, DS&T while the other as J.S.(A), DS&T), both of which were sent to your good offices first by Speed Post and thereafter by E-mail also(E-mail No. dstsec@nic.in). A copy each of the same letters was sent to S.G., D'Dun first by Registered Post and thereafter by E-mail also(E-mail No.sgo@nic.in). I feel it necessary to recapitulate and/or give a subjective reminder to the Secretariate in general and your kindself in particular in the shape of an objective quintessence of the salient features or details the principal parts of which read as under:-

From letter No. J-MSA/Svy/31/2013-14 dt.11.7.2014 :

- i) How far our modified C.R. Proposals submitted in the last week of Sept.,2013 based exclusively on functional needs are going to be accepted /entertained?
- ii) Date of implementation of the long-overdue C.R. is to be made known to us. Implementation has to be done right at DST-level itself on quite a good number of analogies already drawn by the Administrations in between a period of 2003 to 2008 as detailed by us quite a number of times in the past.

From letter No.J -MSA/Svy/32/2013-14 dt. 11.07.2014 :

- i) After long 11(eleven) years(from 2003-December upto middle of 2014) the DST Admn. have decided to undertake the long-pending C.R. Proposals in two parts meaning Restructuring of the Organization & C.R. of Gp.'A' Posts in the 1st phase while that of Gps.'B' & 'C' Posts in the next i.e. 2nd phase. Not only this, the Admn., in consideration of some facts & circumstances, have proposed to delink the C.R. Proposals of Gps.'B' & 'C' posts and further decided to appoint an expert group or committee in the socalled name of doing an in-depth study of Gps.'B' & 'C' Posts. Needless to say, such purely onesided ideas / approaches of DST Officials/Admn. are strongly opposed by us. In fact, the responsible DST Officials have miserably or, say, knowingly made themselves incapable of commencing the necessary studies aimed even at processing the C.R. Proposals within this prettly length of time, what to speak of implementation thereof.
