

MINISTERIAL STAFF ASSOCIATION (CHQs)  
SURVEY OF INDIA, DEHRA DUN  
C/o NORTHERN PRINTING GROUP, HATHIBARKALA, DEHRA DUN

No.CHQ- 20 /MSA/2012

Dated:- 22nd January, 2013

**SECRETARY GENERAL'S REPORT FOR SUBMISSION AT THE DELEGATES'  
SESSION OF THE CENTRAL EXECUTIVE COMMITTEE MEETING HELD AT  
BHUBANESHWAR ON 22ND JANUARY, 2013 AND 23RD JANUARY, 2013**

Dear Comrade Delegates,

First of all please accept new year 2013 wishes . Now I would like to welcome all the Delegates coming from different nooks and corners of the country in this meeting at Bhubaneshwar, the Temple City of India . Dehra Dun and Kolk ata was the witness of the C.E.C. Meeting in 2009 and A.I.C. in 2012. At both the occasions, the meetings were a successful one in all respect. Anyhow I hope that this meeting will also be proved a successful one and Delegates covered a long distance to attend this meeting will get full opportunity to discuss all the welfare points with a positive attitude.

The Confederation and its affiliates had been playing a very significant role in mobilizing the rank and file of the workers and also taking initiative in various forums to pursue the demands. You all are very well aware that at present all Govt. servants facing severe economic crisis and are continuously agitated jointly. On the call of the Confederation 3 CHQs Office Bearers from MSA, 10 Office bearers from Survey of India Organisations and about 40 from Dehra Dun participated in the programme March to Parliament on 26th July, 2012 at New Delhi. Com. S.K. Vyas, K.K.N. Kutty, Virgu Bhattacharya and Piyush Roy on different occassion visited Dehra Dun to educate the employees and on behest and directives of Com. Vyas and Kutty I have also extended my responsibility to unite the central Govt. movement in Uttarakhand in the capacity of convenor of COC, Uttarakhand. There are so many organisational and other problems and hurdles to maintain unity amongst the Organisation in Dehra Dun and particulary in Survey of India.

Being a Central Govt. Department, our department is not different regarding settling the issue. At present our department is also facing a lot of problems due the the bad administrative approach of the present SG. As you are aware from the various correspondences of CHQs that the DST authority are trying to merge on amalgamation with NATMO. We jointly strongly objected any such decision and the matter has also been brought to the notice of higher ups. But we have to fight for us and our struggles for our livelihood shall continue.

MSA has also launched its own website and we are trying our best to upload all the correspondences/Promotion orders and other related issues of Ministerial Staff in it. MSA Webteam<sup>ny</sup> of Kolkata comrades maintain this website very efficiently and effectively. All Branches are also requested to give their big hands for webteam and say few words or provide some valuable suggestions at the time of their address so that we can provide better facility to our members through our website. It is also requested to kindly visit this website regularly.

In the last AIC. the entire house expressed their grave concern and resentment over the inordinate delay over the question of implementation of Cadre Restructuring of Ministerial Staff. The Association had made all efforts and left no stone unturned but it is a pity that despite a good number of letters/correspondences and resolution passed by the Association and having been sent to the higher ups for necessary action are yet to be taken resulting grave dissatisfaction/unrest in the mind of staff members at all survey stations. It is also unfortunate that the directives of the Cabinet Secretary regarding implementation of Cadre Restructuring is not taken into consideration by both DST and the SG. Thus both the Administrations are totally failed to ensure any cognizable progress till todate.

The matter for grant of higher Grade Pay to the E&AO and Office Superintendents has already been taken up by the Association as well as the Surveyor General of India with the DST a number of times. However Govt. agreed to grant one increment on promotion in the same Grade Pay.

The matter for filling up of all vacant posts has also been taken up with the Administration. In various GDCs, some post of LDCs filled up and to fill up other posts SSC and Surplus cell approached. DPCs to fill up all promotional posts has been regularly done and orders issued well in time for all the promotional posts. The DPC for all the promotional posts for 2012 has already been completed.

We are continuously opposing the appointment of Technical Officers from the job of Adm/Accounts work and it should be discussed in this meeting with a suitable and proper suggestion/alternative arrangement covered under the rules. As you are also aware that any redistribution of Ministerial posts or increase in the posts/allotment of additional posts of Ministerial Staff in any GDCs are directly connected with the Cadre Restructuring proposal. Day by day total strength of SOI down to the skelton and we are in a great trouble to maintain our present strength in this situation.

The Association HQs taken up the matter of unfix establishment of UDCs and Assistants for promotion and transfer and most of the cases from different branches has been settled from this arrangement. A good number of Repatriation cases were also settled in during last one year period.

There was so many other issues such as settlement of all disciplinary cases, immediate settlement of ACP cases, amendments in the recruitment rules, regularly holding of LCE from LDC to UDC etc. has already discussed so many times with the SGO administration for a earliest settlement.

Comrades, all the Associations are facing great difficulties due to non-cooperative attitude of the DST and the Surveyor General in particular. As the Department is fail to show any productivity/progress or output in the technical work so it will be a difficult task to get anything beneficial from DST.

Therefore, unitedly we should strengthen the movements and the hands of our leaders to enable them to launch the movements for better results and fulfil our demands. The unity of working class at all time is necessarily required for any Organisation. We should improve our understanding within us to continue our struggle to fight back all the pernicious effect of imperialist globalization. You all are aware that struggle is the nature of all living creatures for their survival and betterment and working class has no other option except to go for struggle to achieve or to get better opportunities in their service.

Comrades, I tried to accomplish my responsibilities as efficiently and effectively as much as I can do. At this juncture, I can only say that my judgement for my work could be wrong but my above opinion can be tested on the views of other CHQs leaders and the branches attending this meeting at large.

I express my sincere thanks and gratitude to Com. T.D. Banerjee, Member, DC(JCM), all my CHQs leaders, all branches and general member of MSA for their unflinching support for me during this period. I also express my sincere thanks to the Office Bearers of other Sister Organisations for their time to time help and cooperation. The report will remain incomplete if I do not mention here the role of my Dehra Dun Comrades. In this juncture, I took this opportunity to thank the Comrades of Dehra Dun Branch who blindly support me at every moment and regularly guide me to achieve better and better for the Organisation.

Before concluding, I once again greet you all for participating in this August Conference and Happy New year to all of you

MSA - LONG LIVE  
EMPLOYEES & WORKER'S UNITY - LONG LIVE

  
(MANOJ KUMAR SHARMA)  
SECRETARY GENERAL
